NEW TEACHING SERIES: TOMORROW

To bridge the gap between Sunday messages and LifeGroups, we will start a new teaching series on popular topics the final Monday of every month, starting tomorrow, **July 26th at 7:30 pm**. The first topic is "The History of the Church."

RECYCLE SUNDAYS: JULY 25 + AUG 1

BVCs Missions LifeGroup will sponsor another Recycle Sunday on July 25 and August 1, so please bring all of your cans and bottles for recycling in bags that Sunday. Proceeds from the recycling will go to pay for evangelism and revival services in an area near the Namaska Mission in Nicaragua.

BUILDING UPDATE

We received the plans back from the city and there are a few sticking points. Please continue to pray that God will lead us to the right decisions as we proceed with the building. Please also pray that the city will honor exemptions that we qualify for.

BVC BLOG

After a several month hiatus, Pastor Douglas is blogging again. His goal is to blog at least once per week. If it is an encouragement to you, or if you have any suggestions, please let us know.

BVC PODCASTS

Our sound problems caused problems with our podcasting, but that is on its way to being resolved. Podcasts are again regularly available, along with notes, for any message you missed!

NURSERY: 11AM

We have two more slots available for the 11 am service. If you are interested in volunteering, please sign up with Addie.

KIDS WORSHIP SERVICE CHANGE

As a reminder, here is the new 11am Kids Ministry breakdown: Age 0-2 Nursery; 3-5 Kids Worship (A) with Noel; 6 through 11 Kids Worship (B) with Dennis and Maricela. Also, please remember that the 11 am Kids Ministry begins at 11:15 am (starts during the welcome) to allow time for the children to worship with their parents before the welcome time.

NURSERY: 9:30AM

In light of our growth and progress as a church over the last few years, it is now time for us to establish nursery for our 9:30am service. Nursery is a critical need for BVC (and all churches), so please sign up with Addie to serve.

COME BUILD WITH US

Our Phase II building will give us much-needed kid's classrooms, and office space. We have already started with preliminaries and are rapidly moving forward with starting the building process. You can help out by setting aside a few bucks each month above your regular offering. If we all pitch in, we will have the building built before we know it. Gifts are fully tax deductible.

WHAT WOULD YOUR CAR DEALER DO?

Why advertise for your car dealer with your license plate holder when you can proclaim the hope of God (and support your church) while you drive? Pick up your free BVC license plate holders today—we'll even install them for you.

PLEASE TURN OFF CELLPHONES DURING WORSHIP. Thanks!
